SECRETARY'S CORNER

Brethren,

With price increases in virtually all sectors of our economy, trying to control our costs of operation, and structuring our budget to reflect investment performance and dues income, it has become necessary to visit the price of our monthly meeting meals. It has been many years since there has been an increase and although we have restructured the meal selections and now provide all buffet service, to avoid the 18% gratuity, sadly it has become necessary to increase the member meal contribution to \$15.00 per person beginning September 2022. We hope you will understand and support this difficult decision. It will be most helpful to make reservations so we can accurately order meals instead of relying on estimates and thereby keeping our guarantees as precise as possible.
